As a trucking services provider, we focus on finding the right solutions that work for our customers. We provide greater flexibility when solving freight needs. As a result, we will suggest the best option that meets your service expectation.

Our mission is built on customer-driven solutions with honesty, professionalism and integrity in everything we do. Our best practices lead to assurance on consistency and quality in every transaction.

If you look for the First Choice in Cargos Transportation then you are at the right site. Our experienced team of transportation are well equipped to service your logistics needs.

Our goal is to provide the right type of Trucks to ensure the shipments successful reach the final destination and then meeting our client's expectation.

PROVISION OF HUMAN RESOURCES

We provide and manage

Expertise, performance, dynamics and result are more and more becoming an area of interest to the employers. Therefore it is a MUST to deliver Human Resources services that meets the needs of employees and employers.

HR Services

As per the rules of the local content policy our contribution in the area of provisions of qualified and competent Human Resources is a necessity. This is why we provide qualified personnel to assist in the Oil and Gas industry. We provide and manage Human Resources for oil companies such as Office Staff, Drivers and particularly Maintenance Crew.

IMMIGRATION SERVICES

We are committed to ensuring that our clients are secured and at ease on arrival in country. We thus provide the following Immigration Services:

- Urgent Visa on Arrival
- Meet and Greet: VIP & Ordinary Assistance Services (Arrival and Departure)
- Visa Extension
- Work and Resident Permits for expatriate workers and relations

Abidjan International Airport

EXPLOSIVES AND RADIOACTIVE MATERIALS CONSULTING SERVICES

We provide professional services advices in obtaining approved licenses for companies using products containing Radioactive Materials or equipment that emit ionizing radiation.

We ensure that your company meets all legal regulatory requirements.

For global companies it can be a challenge and time consuming to meet the regulatory requirements of the Country. Let our consultants take over this duty as we have experience with Cote d'Ivoire regulations and we know that your company understand how the compliance with local regulations is important.

We work closely with the Administration to understand latest requirements in the Country in order to provide the required licenses and permits to you as follow:

- **Radioactive Licenses:** Import, Transport, Storage, Utilization and Export (Ministry of Public Health)
- **Explosives Licenses:** Import, Transfer, Export (Ministry of Mines)
- **Customs Clearance Permits for Explosives Import** (Ministry of Interior and Security)
- **Military escort Permits for Explosives and RA Materials Import and Export** (Ministry of Defense)
- **Satellite License** (ARTCI)

We transport explosives by the means of a truck with dual compartment in order to separate primary from secondary explosives.
